

The Father William Nadeau Scholarship

A Legacy of Hope and Giving

Father Bill, a Catholic priest for 56 years, and an active SPN board member before he passed, believed we all have unique gifts to share with the world. By empowering individuals pursuing an education in social services or mental wellness fields in college or vocational programs, the lives of individuals (as well as families, and whole communities) can be improved and their opportunities to fulfill a dream and share those gifts is encouraged.

The first scholarship has been given to Ava Wilson, a Douglas High School 2024 graduate, who is attending Grand Canyon University to major in Psychology for Social Services field work.

No gift is too small! There are many ways to support this fund ~ a one-time donation, a monthly or yearly donation, a company/corporate donation, or a legacy gift.

Help fund a 50K Account

Your contribution can be part of an annual award to well-deserving local individuals

Award Goals

Our goal is to provide up to three annual \$2500 awards
