

safeTALK

Suicide is preventable; anyone can make a difference.

What is safeTALK?

- 3-hour training in suicide alertness skills
- Learn four basic steps to help prevent suicide
- Widely used by professionals and the public

Who can attend?

- Public service providers, educators, family members, faith community, students, and others in the general public
- People aged 15 and above
- Groups of 10-15 individuals

What is the goal?

- Recognize and respond to situations in which suicidal thoughts may be present
- Move beyond the myths and stigmas that keep us silent
- Learn how to connect to community resources and keep the person *safe for now*
- CEUs available
